

Epson dye sublimation technology allows you to produce colourful textiles quickly and at high quality.

The SC-F9400 64-inch dye sublimation printer has been developed primarily for fast, high-volume printing, for clothing, textiles and soft signage, as well as other printed merchandise.

Stay productive

The SC-F9400 has a maximum speed of 108.6m²/h for fast turnarounds. The updated settings deliver a lower tension and accurate registration, which improves take-up and reduces the total cost of ownership (TCO) by using lower-weight sublimation papers.

The complete solution

Epson makes the printer, the printhead, the inks, sublimation papers and software, and supplies the warranty and service. This comprehensive solution offers the user consistency of quality and peace of mind.

Wide colour gamut

The SC-F9400 uses dedicated Epson UltraChrome DS inks for accurate reproductions of complex and colourful designs.

Ready to wear

The SureColor SC-F9400 comes with Oeko-Tex Eco Passport certification, meaning that clothing and textiles produced on the printer using UltraChrome DS inks are completely safe to wear for adults and children, including babies.

KEY FEATURES

- **64-inch dye sublimation printer**
Create quality textiles and signage, quickly and efficiently
- **UltraChrome DS inks**
For bright, colourful, durable and accurate prints
- **Faster printing**
Print speeds of up to 108.6m²/h
- **The complete solution**
Epson printer, inks, paper and software designed to work in harmony
- **Improved reliability**
Minimise head strike and cockling to maximise uptime

PRODUCT SPECIFICATIONS

TECHNOLOGY

Printing Method	PrecisionCore™ TFP print head
Ink Technology	UltraChrome® DS

PRINT

Colours	Cyan, Yellow, Magenta, High Density Black
Minimum Droplet Size	4 pl, With Variable-Sized Droplet Technology
Ink tank capacity	1.500 ml
Nozzle Configuration	720 Nozzles Black, 720 Nozzles per Color
Printing Resolution	720 x 1.440 DPI

PAPER / MEDIA HANDLING

Paper Formats	A0, A1, A2, 64 " (162.6 cm), 44 " (111.8 cm), 36 " (91.4 cm), 24 " (61.0 cm)
Print Margins Roll Media	Mode 1: 5 mm (right), 5 mm (left)
Compatible Paper Thickness	0,4 mm - 1 mm
Compatible Paper Weight	g/m² or heavier

GENERAL

Power consumption	570 Watt, 1 Watt (Power off)
Supply Voltage	AC 100 V - 220 V
Product dimensions	2.620 x 934 x 1.332 mm (Width x Depth x Height)
Product weight	290 kg

OTHER FEATURES

Memory	Printer: 512 MB, Network: 128 kB
Maintenance system	Automatic wet fabric wiper system

OTHER

Compatible Operating Systems	Windows 10, Windows 7, Windows 7 x64
Media Handling	Auto take up reel, Roll Paper

LCD AND MEMORY CARDS

Panel	Type: Color
